Item of the month

**Light shower 25W(600mm)**

Tilting bracket  
Bracket with adjustable angles to ground and wall

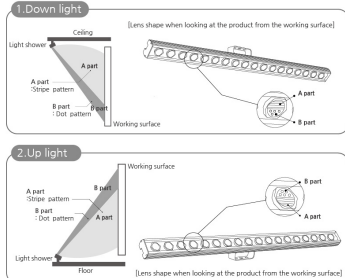

■ Specifications

Total flux	Illuminance(W)	CRI	CCT		
1,550(lm)	2,890(lux)	Over 80	6000K/3000K		
IP LEVEL	Weight	Operating Temperature	Power Consumption	Input Voltage	Power Factor
IP67	1 Kg	-20~40°C	25W	AC220V	Over 0.9

Wall washing is a way of illuminating the walls as if they were washed cleanly with light. Generally, it is effective to brighten the entire space by brightly and uniformly reflecting the entire wall surface finished with high reflectance, by illuminating the vertical surface with many eyes. In addition, the effect of making the space wider can also be expected.
